WHAT WE DO

Oklahoma Firefighters Burn Camp is a nonprofit organization that Helps Young Burn Survivors THRIVE! We provide a five day summer camp for children who have been burned or have disfiguring injuries. Established in 1999, the camp serves those living in Oklahoma and surrounding states.

Burn Camp offers a chance for burn survivors to make life-long friends with other burn survivors in a setting of love, support, and unconditional acceptance. Volunteers and adult burn survivors donate their time to show these children that their scars do not limit their ability to succeed in life.

We are in need of boaters for Fishing Day. If you have a boat, are a good person, and love kids, you could join us on fishing day! Every year we have a fishing day where a camper and their counselor go with a fisherman on Lake Hudson and try to catch some fish. If you are interested in doing this please reach out to Jennifer Arrowsmith at treasurer@okffburncamp.org or 918-864-1318
