WHAT WE DO

Oklahoma Firefighters Burn Camp is a nonprofit organization that Helps Young Burn Survivors THRIVE! We provide a five day summer camp for children who have been burned or have disfiguring injuries. Established in 1999, the camp serves those living in Oklahoma and surrounding states.

Burn Camp offers a chance for burn survivors to make life-long friends with other burn survivors in a setting of love, support, and unconditional acceptance. Volunteers and adult burn survivors donate their time to show these children that their scars do not limit their ability to succeed in life.

BURN CAMP NEWS

Burn Camp 2020 is exactly ONE MONTH away!! With that being said, all existing counselors and volunteers should have received and turned in their applications and code of conduct. If you have not turned yours in please do that ASAP and email it to Tammy Wagoner at asst-director@okffbourncamp.org. If you have any question please email our director at director@okffbourncamp.org
